DISTINGUISHING CHARACTERISTICS:

The Program Manager series represents advanced management positions. The Program Manager III position requires a minimum of five years of experience, and is the top range for the Program Manager series.

SUMMARY OF POSITION:

Under the direction of the Autism Consultant, the BCBA will be assigned a caseload including, but not limited to students with ASD, moderate to severe disabilities, Emotional Disturbances (ED) and other qualifying conditions. As the BCBA for the classroom, you will assist the teacher in developing appropriate IEP goals, designing data collection systems, analyzing the data, conducting FBAs or FAAs as needed and writing appropriate behavior plans. You will participate in IEP team meetings and provide ongoing coaching to teacher and staff on teaching strategies based upon Applied Behavior Analysis. Program managers also conduct workshops on ABA or related topics for parents or other community members.

ESSENTIAL FUNCTIONS:

Essential functions may include, but are not limited to:

1. Work effectively with school districts, community organizations, government agencies, parents, students, and/or staff.
2. Maintain confidentiality on issues concerning program and staff.
3. Maintain current knowledge and interpret applicable rules, regulations, policies, procedures, contracts, State and Federal laws, codes and regulations.
4. Communicate effectively both orally and in writing.
5. Conduct Functional Analysis Assessment and Functional Behavior Assessments
6. Write and implement behavior plans
7. Create appropriate data collection systems to track student progress
8. Analyze and interpret ongoing data
9. Provide training and coaching to teachers and instructional aides, support staff on topics including but not limited to principles of Applied Behavior Analysis, data collection, and other evidenced based practices.
10. Write and assist in the development of IEP goals for students.
11. Participate in IEP meetings.
12. Collaborate with members of IEP team.
13. Stay current on best practice and research related to autism and special education populations, ABA principles, behavior change and special education law related to positive behavior management.
14. Work independently with little direction.
15. Supervise support staff in the implementation of behavior plans.
16. Meet schedules and time lines.
17. All other duties as assigned.

PHYSICAL REQUIREMENTS:

Employees in this position must have the ability to:

1. Sit and stand for extended periods of time.
2. Enter data into a computer terminal/typewriter, operate standard office equipment and use the telephone.
3. Hear and understand speech at normal levels and on the telephone.
4. See and read the computer screen and printed matter with or without vision aids.
5. Speak so that others may understand at normal levels to small or large groups, and on the telephone.
6. Stand, walk, and bend over, reach overhead, grasp, push, pull and move, lift and/or carry up to 25 pounds to waist height.

WORK ENVIRONMENT:

Employees in this position will be required to work indoors and/or outdoors in an educational and standard office environment. Employees may come in direct contact with students, parents, SJCOE and school district staff, outside agency staff, and the public.
