

Tulare County Office of Education

Jim Vidak, County Superintendent of Schools

Typing Speed Certification Requirements

The Tulare County Office of Education requires typing certificates as verification of an applicant's typing speed. The certificate must have been issued within two years of the recruitments filing deadline. The job announcement for each position will list the minimum typing speed required for that position. The certificate may be issued by a college, temporary agency or other accredited agency and must include the net words per minute. **Online typing tests or certificates will not be accepted.**

The following are some of the local agencies that issue typing certificates. Please contact the agency directly for more information regarding their current typing certification services and costs.
