| Position Control: | 141027 Salary Schedule 3, Range 1, Work Year 184 days |

POSITION DESCRIPTION:

Under the direction of the SVCTE Principal or designee, and with appropriate support, the teacher is responsible for instruction, training and career preparation that will prepare the student for entry-level employment specifically in the career pathway of Electrical Maintenance. The course will provide students with the opportunity to learn entry-level skills in the field of Electrical Maintenance. The instructor will be responsible for developing student skills, knowledge and attitudes commensurate with the goals of the program and for effectively using equipment to meet goals. Performs other related work as required. This is an exempt position.

AREAS OF RESPONSIBILITIES/DUTIES:

Essential Functions:

- Utilizes a variety of effective and professional teaching techniques and methods, which assist student(s) in attaining the performance objectives of the course
- Prepares and presents a course of study including program objectives, student performance objectives and lesson plans
- Assists in the preparation of the program budget and is responsible for making requests for materials and supplies not to exceed the amount and types of expenditures set forth in the program's approved budget
- Makes provisions for immediate supervision of all students while they are at community training sites
- Documents student progress, performance and other related data
- Assists in student placement activities
- Submits all forms and information needed for attendance accounting and grade reporting
- Assist coordinating administrator in the planning and maintaining of the advisory committees which will include representatives from related business, industry, labor, professional organizations and other public and/or private agencies providing the same or related training and holds a minimum of one meeting during each school year
- Attends staff meetings and other meetings as required by the Director of Programs & Student Support Services or designee
- Observes the administrative policies for credentialed personnel as set forth by the Governing Board
- Establishes and maintains safety policies and procedures for classrooms
- Be in attendance on-site as required

EMPLOYMENT STANDARDS:

Knowledge of:

- Electrical Maintenance trends and career opportunities
- Effective techniques of student supervision, motivation, retention and discipline
- Curriculum and instructional materials for assigned subject area

Metropolitan Education District Electrical Maintenance Teacher

- Equipment relevant to subject area
- History of Electrical Maintenance

EMPLOYMENT STANDARDS CONTINUED:

Ability to:
