

Science Teacher for Entrepreneur High School

REAL Journey Academies (RJA) is a non-profit charter school management organization designed to significantly increase college entrance and graduation rates for underserved students in the Inland Empire. We aim to impact and revitalize communities through the development of education and other supportive partnerships.

Entrepreneur High School (EHS) is a dynamic new charter high school currently being built in San Bernardino, CA, where entrepreneurship is taught across disciplines. The students learn through a project-based curriculum to launch their own companies while still in school. EHS is set to open in August of 2018 with a 9th grade class and is looking to hire innovative teachers.

EHS is looking for a Science Teacher who will:

- Innovative teaching style - able to work with collaborative groups in cooperative learning and project-based learning that dominates curriculum.
- Strong collaboration skills. Willing to work with teachers from multiple disciplines to design curriculum and support student learning and success.
- Background in technology, entrepreneurship, or innovative classroom teaching.
- Willing to design and teach interdisciplinary curriculum with a focus on entrepreneurship and technology.
- Willing to work with and support students in interdisciplinary experiences (internships, projects, study trips, etc.).
- Willing to work with community partners in the classroom.
- Experience with project-based learning: a dynamic classroom approach in which students actively explore real-world problems and challenges and acquire a deeper knowledge.
- Willing to go above and beyond.
- Willing to try new things and learn through failures.

Minimum Requirements:

- California Secondary Credential in appropriate Science area
