

Elementary School Teacher

REAL Journey Academies (RJA) is a non-profit charter school management organization designed to significantly increase college entrance and graduation rates for underserved students in the Inland Empire. We aim to impact and revitalize communities through the development of education and other supportive partnerships.

Job Purpose:

RJA is seeking a passionate Elementary School Teacher who is committed to shepherding their students to the next level of academic excellence and shows this through their development, reflection, execution of school culture, implementation of student rigor and proven results of student success. The individual's personal and professional values are aligned with the mission and commitments of RJA and will be culturally responsive in creating equitable learning pathways for all students.

Essential Duties and Responsibilities:

Academics and School Culture

- Fosters a safe and nurturing learning environment that continuously builds professional knowledge
- Drive outstanding student achievement and engaged learning through organized classroom systems/procedures
- Create a positive, achievement-oriented, and supportive learning environment that excites and engages students in learning and preparing for college
- Builds strong, positive relationships and work collaboratively with a diverse community of students and their families as well as colleagues
- Displays a positive public presentation of RJA

Teaching and Learning

- Leverages RJA templates and resources to implement and maintain individually engaging curriculum and lessons plans designed to prepare all students to succeed in college and beyond
- Prepares lesson plans, current seating charts, and classroom procedures for substitute teachers
- Uses a variety of instructional methodologies and curriculum resources to present material in an interesting, stimulating and effective manner
- Collaborates with the Special Education team to meet the needs of all students
- Identifies student's areas for improvement and create opportunities for improvement through interdisciplinary collaboration
- Works with the Principal and Assistant Principal to ensure teaching methods are directed towards meeting and surpassing the standards

DISCLAIMER: This job description indicates in general the nature and levels of work, knowledge, skills, abilities and other essential functions (as covered under the Americans with Disabilities Act) expected of an incumbent. It is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities required of an incumbent. An incumbent may be asked to perform other duties as required. Management reserves the rights to add, modify, change or rescind the work assignments of different positions and to make reasonable accommodations so that qualified employees can perform the essential functions of the job. Nothing in this position description changes the at-will employment relationship existing between the Institution and its employees.
