

Spectrum Schools, a division of **ChanceLight Behavioral Health, Therapy and Education** is a growing, dynamic organization with a social mission to offer hope, is seeking Special Education Professionals to join our family. You will join an award-winning team and perform meaningful work in a culture that welcomes innovation, encourages creative expression and offers limitless potential for personal and professional satisfaction.

If you thrive in a fast-paced, goal-oriented, outcome-driven environment, seek a career in special education with a social mission, and possess a problem-solving mindset, a sense of humor – and a stellar work ethic – we should talk.

You Will Be:

- Prepared to implement a full educational teaching plan for each student with significant training, coaching, and support provided to new and seasoned teachers.
- Conducting group and individual instruction in the classroom and in the community to implement students' Individualized Education Programs (IEP), improve students' quality of life and prepare them to become active members of their community.
- Supporting a collaborative and positive culture among students, classroom support staff, and on-site wrap-around service providers to ensure student success.
- Afforded opportunities for professional growth, advancement and leadership.
- Offered competitive compensation and a comprehensive benefits package including, dental and vision coverage as well as life and long-term disability insurance. Also paid time off, flexible spending accounts, a health savings account option and a 401k retirement savings plan

You Will Need:

- Bachelor's degree or higher from an accredited institution.
- California Education Specialist Credential or University Intern Eligible
- Skills in working with students with diverse needs.
- Training in ABA, experience with emotional/social needs, and Autism Spectrum Disorder a plus.

At Spectrum, you can learn from the best – and make your own contribution. Make a Difference!
