- Conducts a variety of organizational studies, investigations, and operational studies; recommends modifications to Fiscal Services Department programs, policies and procedures
- Attends board meetings; presents items to the school board; and serves as a resource at board meetings as needed
- Informs the Executive Director of Business Services, the Superintendent Chief Learning Officer and Board of Trustees on all matters concerning the fiscal status of the district (short and long term)
- Reviews pertinent legislation and ensures District compliance with rules, regulations, and laws; ensures timely and accurate reporting data to federal and state authorities, including SACS, grants and categorical funding
- Assist in writing board policies and administrative regulations as well as contract language during negotiations, including working closely with legal counsel when necessary
- Represents the school district at meetings related to the functions of the Fiscal department
- Coordinates and manages all matters related to external audits of the district and directs the district's internal audits
- Coordinates with county personnel relative to fiscal functions
- Other related duties as assigned

Job Requirements & Skills

KNOWLEDGE is required to utilize theoretical mathematical concepts; review and interpret highly technical information, write technical materials, and/or speak persuasively to implement desired actions; and solve practical problems. Specific knowledge required to satisfactorily perform the functions of the job includes: principles and procedures of accounting, including governmental procedures; School District fiscal, payroll, and budget procedures; methods and procedures used in purchasing supplies and equipment; computer based accounting systems and procedures; modern office procedures, methods and equipment, including typewriter, calculator, copier, computer and printer; laws, rules, and regulations applicable to California School District finance and accounting activities.

ABILITY is required to schedule a significant number of activities, meetings, and/or events; routinely gather, collate, and/or classify data; and consider a wide variety of factors when using equipment. Flexibility is required to independently work with others in a wide variety of circumstances; analyze data utilizing a variety of complex processes; and utilize equipment under a variety of conditions for multiple purposes. Ability is also required to work with a diversity of individuals and/or groups; work with data of widely varied types and/or purposes; and utilize a variety of types of job-related equipment. In working with others, independent problem solving is required to analyze issues and create action plans. Problem solving with data requires analysis based on organizational objectives; and problem solving with equipment is significant. Specific abilities required to satisfactorily perform the functions of the job include: establish and maintain effective work relationships with those contacted in the performance of assigned duties; understand and carry out complex oral and written instruction; instruct, train, and supervise bookkeeping, clerical, managerial, and technical personnel in accounting procedures, computer applications and departmental procedures; apply pertinent School District policies, laws, rules, and governmental regulations to specific cases; analyze and interpret fiscal records and documents and prepare accurate and complete financial summaries and reports; perform research, compiling information from a variety of sources, maintaining accurate records and files; physical ability and emotional stamina to endure additional hours of work, under sometimes stressful situations; communicate effectively in both oral and written forms.

Responsibility

Responsibilities include: working independently under broad organizational guidelines to achieve unit objectives; managing multiple departments; and determining the use of funds. Utilization of significant resources from other work units is routinely required to perform the job's functions. There is a continual opportunity to significantly impact the organization's services.

Work Environment

The usual and customary methods of performing the job's functions require the following physical demands: Sitting for extended periods of time, occasional lifting, carrying, pushing, and/or pulling; some climbing and balancing; some stooping, kneeling, crouching, and/or crawling, significant fine finger dexterity, hearing and speaking to exchange information and make presentations. The job is performed under some temperature extremes and some hazardous conditions. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
