

TITLE: **DIGITAL LEARNING SPECIALIST**

WORK YEAR: **205 Work Days**

REPORTS TO: **Director, Innovation and Learner Engagement**

PRIMARY FUNCTION:

Under the direction of the Director, Innovation and Learner Engagement, the Digital Specialist provides leadership, guidance and staff assistance towards the planning, development, coordination, evaluation, research and implementation of digital learning initiatives across the organization. The Specialist will organize, grow, and promote the District's digital learning initiatives. The Specialist will work with the Director, Innovation and Learner Engagement to guide District administrators, principals, assistant principals, specialists, and teachers in providing expanded learning opportunities for students to develop 21st Century skill sets which focus on occupations that require a significant level of Digital Literacy.

EDUCATION AND EXPERIENCE:

- Valid California Teaching Credential in corresponding subject matter with English Learners Certification
- Valid California Administrative Services Credential
- Master's Degree (preferred)
- A minimum of five (5) years of successful experience as a classroom teacher
- Demonstrated success in student outcomes
- Teaching, instructional coaching, or administrative experience working with a diverse socio-economic and multiethnic school population
- Evidence of successful impact on instructional programs for the assigned curricular area
- Ability to build collegial relationships for the purpose of increasing student college and career readiness
- Must possess a valid driver's license

REPRESENTATIVE DUTIES:

- Organize and lead teacher groups in the curriculum development and textbook selection processes.
- Work with principals and other instructional management personnel to ensure a consistent, cohesive and carefully articulated instructional program across all sites and levels.
- Serve as a resource person to schools to support the successful implementation of instructional programs and related instructional priorities.

- Assist with the development of new projects to enhance the instructional program.
- Design, provide, and/or coordinate staff development in assigned area(s) of responsibility.
- Manage programs and/or special events as assigned.
- Work collaboratively to guide Instructional Services staff in incorporating digital teaching and learning resources and tools into daily classroom activities.
- Prepare and deliver oral presentations and reports to staff, principals, parent groups, and the Board.
- Assist with the preparation of required reports, both written and oral.
- Represent the District at County and State levels, as assigned.
- Contribute to improved student achievement and increased college and career readiness by implementing research and standards-based planning, instruction, assessment, technology and intervention.
- Lead vertical articulation efforts with teachers and administrators. Work with other staff to ensure a consistent, cohesive and carefully articulated instructional program across all sites.
- Collaborates with Career and Technical Education (CTE) to align their programs/curricula and core content.
- Collaborates to create and promote technology education support programs, including software and hardware, techniques, research, and innovative practices for teachers.
- Guides principals and teachers in evaluating and improving classroom instruction in the area of educational technology.
- Contribute to providing support for student learning and achievement as a member of support and accountability teams and other assignments.
- Monitor budgets related to assigned areas of responsibility. Ensure that programs and events comply with legal, district, federal state, and local regulations and guidelines.
- Collaborate and coordinate with community stakeholders and outside resources.
- Design blended and online professional development and collaboration using digital tools.
- Supervise and evaluate certificated and classified staff.
- Other duties as assigned
